Before The Hunt

The monetary portion of the Trip Planner and Checklist must be discussed with your outfitter and all pertinent questions addressed before the hunt begins.

Fair chase hunting means there will be obstacles, frustrations, and the unexpected, but most can be avoided with communication and planning.

After The Hunt

If there are concerns about trophy or meat shipments, comments, problems, agreements, or refunds, all parties must sit down together and agree to something on paper before the client and outfitter part ways. This is imperative, before memories fade.
